April 2023

World Earth Day: 'When we care for the Earth, we care for ourselves' Quest Nature Club, LNCTE hold plantation drives, awareness sessions, competitions on the eve of World Earth Day, Students vow to protect ecology. From 1970, Earth Day has been celebrated around the world to call attention to some of our most pressing environmental and social problems, including climate change, biodiversity loss, ozone layer depletion, global warming, pollutions and dwindling natural resources. The day started with a beautiful message where students were reminded of 7 actions towards safe earth. Each one of them took a pledge to save Mother Earth by doing simple doable actions. Our continuing effort in our daily life will make this beautiful planet thrive. QNC, LNCTE marked the World Earth Day with activities widespread to invoke respect, concern and action to conserve the natural resources. Moving with the theme- Invest in our planet, activities like in-campus plantation drive, Pledge, paper bags distribution organized. An Online Environmental awareness quiz will be organised on Earth Day.
