■ **About LNCT Group of Colleges:** LNCT Group of Colleges is one of the oldest educational group in central India. It was founded in 1993 under the banner of H.K.Kalchuri Education Trust. Since then, with the commitment of "Working towards being the Best", LNCT Group has achieved many milestones. It comprises Lakshmi Narain College of Technology (LNCT) Bhopal, a premier institute of the North Central India region (started in 1994), Lakshmi Narain College of Technology & Science (LNCT&S) began in 2006 along with Lakshmi Narain College of Technology Excellence (LNCTE) started in 2007. LNCT Group is one of the largest and most preferred Educational Groups for Engineering, Management, Pharmacy and Medical with ISO-9001 certification, NIRF Ranking, NBA accreditation for many Engineering courses and established AICTE-IDEA lab funded by AICTE, New Delhi.

■ **About ICoEIT:**

The 2025 International Conference on Engineering Innovations and Technologies (ICoEIT) is technically Co-sponsored by IEEE Madhya Pradesh Section and LNCT Group of Colleges Bhopal. The International Conference on Engineering Innovations and Technologies (ICoEIT) serves as a vital platform for engineers, researchers, and industry experts to exchange ideas, present research findings, and discuss the latest innovations in engineering.

■ **Call for Papers:**

Prospective authors are encouraged to contribute and help to shape the conference through submissions of their research papers. Original papers on the following indicative topics, but not limited to, are welcome to be submitted for the conference. Prospective authors are encouraged to submit full papers in PDF format not exceeding 6 pages in double-column includes all figures, tables, and references. The paper must follow the standard IEEE Formatting Instructions.

The E-Copyright form must be submitted by all the author's at the time of registration. IEEE Format can be downloaded from the link: <https://www.ieee.org/conferences/publishing/templates.html>

Track 1: Block Chain, Artificial Intelligence, IOT, Data Science, Cyber Security and Computer Vision Enabled Technologies

Track 2: Green Electronics, VLSI, Communication, Image Processing and Sensor Based Technologies

Track 3: Power, Control, Renewable Energy and Electric Vehicles

Track 4: Thermal Engineering, Energy, Mechatronics, Industrial Automation, Intelligent Transportation Technologies

Track 5: Construction Technology, Environmental Engineering, Structural Engineering, Sustainability

Track 6: Innovation in Healthcare System

Track 7: Quantum Computing, Nanotechnology & Multidimensional Applications of Engineering

All accepted and presented papers will be published in the conference proceedings and will be submitted for publication (IEEE Conference number #63558) IEEE Xplore which is indexed with world's leading Abstracting & Indexing (A&I) databases (SCOPUS etc.). Publication at IEEE Xplore is subject to IEEE's scope and quality policy.
